## NEW!!!! COMMERCIAL-GRADE TONER CARTRIDGE RECYCLING PROGRAM FOR OUR PREFERRED CUSTOMERS

This is a NEW program for Canon commercial-grade copiers. Canon All-In-One cartridges remain part of the Canon Clean Earth Campaign and should continue to be returned through that program: [www.usa.canon.com/cleanearth/recycle](http://www.usa.canon.com/cleanearth/recycle) Commercial-grade toner cartridges can be recycled in your normal community recycling program and are coded with a recycling number. The slight toner residue that remains in the empty cartridge is safe to recycle. If you cannot do this or would like for AlphaCopy to recycle your cartridges for you, please do the following:

### AlphaCopy Maintenance Agreement Customers:

Once you accumulate 15 empty toner cartridges, please call our office for a pickup. We will send a driver with a special receptacle for pickup, and will return the cartridges to the Canon Toner Container Collection Center for you. If you don't want to wait to accumulate 15 cartridges, they can be dropped off or sent to our office located at 13374-C Farmington Rd., Livonia, MI. Please see our web site for directions and a map.

### AlphaCopy Non-Maintenance Agreement Customers:

Cartridges can be dropped off or sent to our office located at 13374-C Farmington Rd., Livonia, MI. Please see our web site for directions and a map. *Please note that this program is for Canon branded cartridges only. Aftermarket or generic branded cartridges will not be accepted.*

The following cartridges are eligible for the recycling program:

C100	GP 200	GPR-17	GPR-35	NPG-5
C120	GPR-2	GPR-18	GPR-36	NPG-7
C150	GPR-4	GPR-19	GPR-37	NPG-9
C160	GPR-5	GPR-20	GPR-38	NPG-10
C180	GPR-6	GPR-23	IPQ-1	NPG-11
C210	GPR-8	GPR-24	IPQ-2	NPG-12
C300	GPR-9	GPR-25	IPQ-3	NPG-13A
C330D	GPR-10	GPR-26	IPQ-4	NPG-14
C400D	GPR-11	GPR-27	NP 1010/1020	
CLC1100	GPR-12	GPR-30	NP 6/7/8000	
CLC 5000/3900	GPR-13	GPR-31	NP9120	
CLC 700/800	GPR-14	GPR-32	NP-9330	
CRG-102	GPR-15	GPR-33	NPG-1	
GP55/30F	GPR-16	GPR-34	NPG-4	

Toner containers must be listed on the accepted toner container list, above. All toner containers must be empty and must not have any trash, liquid, non-toner residue or any other unrelated object inside of it or they will be rejected.
